Mr. John M. Dodd Jr.
Norfolk, Conn.

My dear Mr. Dodd:-

I have been away, on my vacation, for several weeks, hence the delay in replying to your letter of August 18th.

Your Haysden-Boston medal, #24, is in my safe and I will gladly keep it for you as long as you desire, when you want it sent let me know and I will forward it.

The hundred medals have all been taken, and several late subscribers have been disappointed.

I hope, when you return to the city, you will come up and look us over. I am very anxious to show you our building and some of the new things that have come in since our miserable fight for existence.

Hoping that you are well, and have enjoyed the summer, and with kind regards to you and Mrs. Dodd, I am,

Very sincerely yours
